Good Evening,

Thank you everyone who has sent in their annual donation.

The weather finally looks decent next week and we will be constructing the replica of the parapet Thursday, Friday and Saturday, May 23, 24, and 25th.

We will be at CMP Thursday through Monday also for the holiday weekend, May 23rd-26th.

We need help with construction of the parapet. Food and drinks will be provided.

Please email us back if you plan to help so we can get a headcount for food and provide you with anything you need to bring. If you are not that handy with tools, we can still use your help. We need people to talk with visitors, hand off tools, and do miscellaneous items around CMP.

Gray Days June 8th and 9th. We will be at CMP Thursday, June 6th, weather permitting, to cut grass. Friday, June 7th setting up for encampments. Saturday June 8th and Sunday June 9th, Gray days will consist of living history and talking with visitors. Food and Drinks provided. Please contact us if you plan on attending in any way.

Thanks to Shawn, the low voltage lighting, electrical outlets, and service to the new property have been completed. We are waiting for the electric company to hook in the meter.

Thanks to Hal and TJ who installed the poles for the replica of the parapet and set our well rings.

And a special Thank you to Bill, Paul, Ros, and Bruce who consistently help make CMP beautiful and keep all the projects moving towards completion. The flowers are blooming and Confederate Memorial Park looks beautiful.

A Memorial brick order is ready to be given to our supplier consisting of eleven bricks. If anyone would like to submit their memorial brick order, now is a wonderful time to do so. We will be sending the order to the supplier in the next few weeks.

We also have a volunteer to become editor of our newsletter "The Parapet Chronicles". The newsletter will start up again soon.

If anyone has any questions or concerns, please do not hesitate to contact us.

Always for their memory,
Jim and Christina Dunbar
